

COMPANY INTRODUCTION

Harmia is a **Leading and Reliable Clearing & Forwarding Agent** in South Africa.

We are a South African owned company with a broad spectrum of networks and carefully selected partners worldwide.

Harmia Clearing & Forwarding's service utilizes established relationships with carriers such as trucking companies to ocean liners in order to negotiate the best possible price to move shipper's goods along the most economical route by choosing the best speed, cost, and reliability.

We handle the considerable logistics of shipping goods from one international destination to another, a task that would otherwise be a formidable burden for their client.

Our Head Office are based in Kimberly and we recently opened a branch in Port Elizabeth.

We arrange full Container loads (FCL) and Groupage / Shared Containers (LCL) for Imports or Exports Sea Freight. We cover all major South African Ports of loading to any destination that you might require.

We currently export bulk minerals and precious gemstones to Qingdao, Jiujiang, Nansha, Lianhuashan, Wuhan, Shekou China, just to mention a few.

We offer a full range of services which includes:

- Preparation of Imports & Exports shipments
- Preparation of Imports & Export documentation
- Booking cargo space
- Negotiating freight charges
- Cargo Insurance
- Arranging storage
- Arrange collection of cargo , Transport / deliver to depot
- Customs Clearance

We will take care of cargo from "Dock to Door", if you requested to do so.

This can include the correct filing of export documentation, all arrangements with carriers, packing, crating and storage needs. Harmia Clearing & Forwarding charge modest rates for services and have access to shipping discounts.

Please do not hesitate to contact us for pricing estimates or any of your Imports / Exports requirements.
